FY14 Swinomish EPA comments 2-22-16.docx

Hi Dietrich,

Thanks for sending the revised FY14 subaward proposal from Swinomish. We provided initial comments in May 2015 (attached). Please find my additional comments on this revised version. Also cc-ing the PSP reviewers as per my usual protocol with subaward reviews!

Let me know if you have any questions.

Lisa

Hi Lisa,

Attached is most the current version the FY 2014 Swinomish workplan NWIFC is planning to approve. If you could provide response to close the administrative loop on the EPA comments provided back in May of 2015 that would be great. I kept it in track changes so you could see where costs associated with various tasks changed.
